

AEIMS CONGRESS

MANCHESTER 2002

THE UNIVERSITY
of MANCHESTER

announcement

Dear Colleague,

I would like to welcome you to Manchester, a vibrant, growing city, home of world-class sport, education and since 1994 the MPhil in Medical Art based at the University of Manchester. The MPhil in Medical Art is a full time, medical postgraduate degree by research. The research programme is tailored to the needs of the student and is designed to show that Art and Science are not mutually exclusive.

I very much hope you will come and join this year's AEIMS Congress in Manchester. We have an interesting program of events and lectures

I look forward to welcoming you to two days of discussion; education and I hope fun, based around our shared passion, Medical Art.

Welcome

Raymond Evans (AEIMS2002)
The Unit of Art in Medicine
